"SECTION 1. IC 6-1.1-18.5-21 IS ADDED TO THE INDIANA CODE AS A NEW SECTION TO READ AS FOLLOWS [EFFECTIVE JANUARY 1, 2007]: **Sec. 21. (a) The ad valorem property tax levy limits imposed by this chapter do not apply to ad valorem property taxes imposed by a consolidated city to pay or fund any indebtedness assumed, defeased, paid, or refunded under IC 36-3-1-6.1 or IC 36-3-1-6.3.**

(b) For purposes of this section:

(1) "current year" means the calendar year that immediately precedes the first calendar year in which property taxes are first due and payable based on a consolidation under IC 36-

3-1-6.1 or IC 36-3-1-6.3;

(2) "ensuing year" means the calendar year that immediately succeeds the current year; and

(3) "maximum levy" means the maximum permissible ad valorem property tax levy under section 3 of this chapter.

(c) The maximum levy for a consolidated city is increased for property taxes first due and payable in the ensuing year and each subsequent calendar year by an amount equal to the lesser of:

(1) the difference between:

(A) the maximum levy for the current year for the consolidated city's fire special service district created under IC 36-3-1-6; and

(B) the amount levied for the current year for the fire special service district; or

(2) ten percent (10%) of the maximum levy for the consolidated city's fire special service district created under IC 36-3-1-6 for property taxes first due and payable in the ensuing year.

(d) The maximum levy for property taxes first due and payable in the ensuing year:

(1) is increased for a consolidated city by the amount equal to the property tax levy for taxes first due and payable in the current year for fire protection and related services by each:

(A) township;

(B) airport authority; or

(C) fire protection territory;

whose fire department is consolidated into the fire department of a consolidated city under IC 36-3-1-6.1; and

(e) The balance on January 1 of the ensuing year in the cumulative building and equipment fund for fire protection and related services of each:

SECTION 2. IC 6-3.5-6-18.5, AS AMENDED BY P.L.234-2005, SECTION 5, IS AMENDED TO READ AS FOLLOWS [EFFECTIVE UPON PASSAGE]: Sec. 18.5. (a) This section applies to a county containing a consolidated city.

(b) Notwithstanding section 18(e) of this chapter, the distributive shares that each civil taxing unit in a county containing a consolidated city is entitled to receive during a month equals the following:

(1) For the calendar year beginning January 1, 1995, calculate the total amount of revenues that are to be distributed as

distributive shares during that month multiplied by the following factor:

Center Township	.0251
Decatur Township	.00217
Franklin Township	.0023
Lawrence Township	.01177
Perry Township	.01130
Pike Township	.01865
Warren Township	.01359
Washington Township	.01346
Wayne Township	.01307
Lawrence-City	.00858
Beech Grove	.00845
Southport	.00025
Speedway	.00722
Indianapolis/Marion County	.86409

(2) Notwithstanding subdivision (1), for the calendar year beginning January 1, 1995, the distributive shares for each civil taxing unit in a county containing a consolidated city shall be not less than the following:

Center Township	\$1,898,145
Decatur Township	\$164,103
Franklin Township	\$173,934
Lawrence Township	\$890,086
Perry Township	\$854,544
Pike Township	\$1,410,375
Warren Township	\$1,027,721
Washington Township	\$1,017,890
Wayne Township	\$988,397
Lawrence-City	\$648,848
Beech Grove	\$639,017
Southport	\$18,906
Speedway	\$546,000

(3) For each year after 1995, calculate the total amount of revenues that are to be distributed as distributive shares during that month as follows:

STEP ONE: Determine the total amount of revenues that were distributed as distributive shares during that month in calendar year 1995.

STEP TWO: Determine the total amount of revenue that the department has certified as distributive shares for that month under section 17 of this chapter for the calendar year.

STEP THREE: Subtract the STEP ONE result from the STEP TWO result.

STEP FOUR: If the STEP THREE result is less than or equal to zero (0), multiply the STEP TWO result by the ratio established under subdivision (1).

STEP FIVE: Determine the ratio of:

(A) the maximum permissible property tax levy under IC 6-1.1-18.5, IC 12-19-7, and IC 12-19-7.5 for each civil taxing unit for the calendar year in which the month falls, plus, for a county, an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund; divided by

(B) the sum of the maximum permissible property tax levies under IC 6-1.1-18.5, IC 12-19-7, and IC 12-19-7.5 for all civil taxing units of the county during the calendar year in

which the month falls, and an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund.

STEP SIX: If the STEP THREE result is greater than zero (0), the STEP ONE amount shall be distributed by multiplying the STEP ONE amount by the ratio established under subdivision (1).

STEP SEVEN: For each taxing unit determine the STEP FIVE ratio multiplied by the STEP TWO amount.

STEP EIGHT: For each civil taxing unit determine the difference between the STEP SEVEN amount minus the product of the STEP ONE amount multiplied by the ratio established under subdivision (1). The STEP THREE excess shall be distributed as provided in STEP NINE only to the civil taxing units that have a STEP EIGHT difference greater than or equal to zero (0).

STEP NINE: For the civil taxing units qualifying for a distribution under STEP EIGHT, each civil taxing unit's share equals the STEP THREE excess multiplied by the ratio of:

(A) the maximum permissible property tax levy under IC 6-1.1-18.5, IC 12-19-7, and IC 12-19-7.5 for the qualifying civil taxing unit during the calendar year in which the month falls, plus, for a county, an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund; divided by

(B) the sum of the maximum permissible property tax levies under IC 6-1.1-18.5, IC 12-19-7, and IC 12-19-7.5 for all qualifying civil taxing units of the county during the calendar year in which the month falls, and an amount equal to the property taxes imposed by the county in 1999 for the county's welfare fund and welfare administration fund.

(c) Except with respect to Center Township, for each year after 2006, sixty-six percent (66%) of the revenues to be distributed as distributive shares during each month to the townships listed in this section are to be distributed as additional distributive shares to Indianapolis/Marion County and the township distributive shares are reduced by sixty-six percent (66%).

(d) If Lawrence, Beech Grove, Southport, or Speedway consolidates its fire department into the consolidated fire department under IC 36-3-1-6.3, commencing with the calendar year following that consolidation and for each year thereafter, the monthly distributive share of county option income taxes distributed to Lawrence, Beech Grove, Southport, or Speedway, as applicable, shall be reduced by a percentage set forth in the ordinances adopted under IC 36-3-1-6.3, and those revenues shall instead be distributed as additional distributive shares to Indianapolis/Marion County.

(j) Whenever an excluded city consolidates its fire department into the consolidated fire department under subsection (b), the local boards for the 1937 firefighters' pension fund and the 1977 police officers' and firefighters' pension and disability fund of the excluded city are dissolved, and their services are terminated not

(k) Whenever an excluded city consolidates its fire department into the consolidated fire department under subsection (b), the merit board and merit system of the excluded city's fire department are dissolved, and the duties of the excluded city's merit board are transferred to and assumed by the merit board for the consolidated fire department.

"SECTION 13. IC 36-8-4.3 IS REPEALED [EFFECTIVE JANUARY 1, 2007].

SECTION 14. [EFFECTIVE JULY 1, 2006] The general assembly finds the following:

- (1) A consolidated city faces unique budget challenges due to a high demand for services combined with the large number of tax exempt properties located in a consolidated city as the seat of state government, home to several institutions of higher education, and home to numerous national, state, and regional nonprofit corporations.
- (2) By virtue of its size and population density, a consolidated city has unique overlapping territories of county, city, and township government and an absence of unincorporated areas within its county.
- (3) By virtue of its size, population, and absence of unincorporated areas, development extends to and across the boundaries of the contiguous governmental territories located within a county having a consolidated city, thus giving less meaning to boundaries of the governmental territories located within the county.
- (4) By virtue of its size, population, absence of unincorporated areas, overlapping territories, and development to and across the boundaries of contiguous governmental territories, there is less need for differentiation of local governmental services within the separate governmental territories located within a county having a consolidated city, but rather the local governmental service needs are similar and more uniform within and across a county having a consolidated city.
- (5) The provision of local governmental services by multiple governmental entities with overlapping territories, and by governmental entities with contiguous territories with less meaningful boundaries, results in disparate levels of local government services within a county having a consolidated city and results in the inefficient and poor use of taxpayer dollars.
- (6) As the state capital and a center for professional sporting events, tourism, and culture in central Indiana, the consolidated city faces unique demands for protecting governmental property and securing the safety of large numbers of residents and visitors, which require innovative approaches to public safety resources.
- (7) Substantial operational efficiencies, reduction of administrative costs, and economies of scale may be obtained in a consolidated city through further consolidation of county, city, and township services and operations.
- (8) Consolidation of county, city, and township services and operations in the consolidated city will serve the public purpose by allowing the consolidated city to:
 - (A) eliminate duplicative services;
 - (B) provide better coordinated and more uniform delivery of local governmental services;
 - (C) provide uniform oversight and accountability for the budgets for local governmental services;
 - (D) simplify the system of property taxation;
 - (E) provide more unified tax rates; and

(F) allow local government services to be provided more efficiently and at a lower cost than without consolidation.

(9) Efficient and fiscally responsible operation of local government benefits the health and welfare of the citizens of a consolidated city and is of public utility and benefit.

(10) The public purpose of this act is to provide a consolidated city with the means to perform essential governmental services for its citizens in an effective, efficient, and fiscally responsible manner."
